Shaik Gouse Khaja

Narasaraopet, India

Professional Summary

Analytical and detail-oriented B.Tech student with practical knowledge in business intelligence, dashboard creation, and data reporting. Skilled in Python, SQL, Power BI, Tableau, and Excel for deriving meaningful insights from structured datasets. Completed a Data Analyst internship at Internspark and earned certifications from Databricks, Deloitte, and Tata Forage programs.

Education

B.Tech in Computer Science & Engineering

2023 – 2027

JNTUH College of Engineering, Manthani

Experience

Data Analyst Intern – Internspark

Apr 2026

- Conducted exploratory analysis on real-world datasets using Python, SQL, and Excel.
- Designed interactive Power BI dashboards for KPI tracking and reporting.
- Processed structured information using Pandas and SQL-based transformations.
- Prepared analytical summaries to support data-driven business decisions.

Projects

Customer Behaviour Analysis

- Applied RFM segmentation techniques to identify high-value customer groups.
- Developed Power BI dashboards for churn monitoring and retention tracking.
- Retrieved transactional information through SQL-based aggregation queries.

Sales Performance Analysis

- Built Tableau dashboards presenting revenue growth and regional sales metrics.
- Consolidated records from multiple sources using SQL transformations.
- Identified seasonal patterns and underperforming product categories.

Technical Skills

Programming Languages:	Python
Database:	MySQL
Visualization & BI Tools:	Power BI, Tableau, Microsoft Excel
Libraries & Analytics Tools:	Pandas, NumPy, Matplotlib
Core Concepts:	Exploratory Data Analysis, Data Wrangling, Statistical Reporting, Dashboard Development
Platforms & Utilities:	Databricks, Jupyter Notebook, Google Colab, GitHub, MS Office Suite

Certifications

- SQL Analytics and Business Intelligence – Databricks
- Data Analytics Job Simulation – Deloitte (Forage)
- GenAI-Powered Data Analytics Simulation – Tata (Forage)
- Python Programming Certificate – Scalar Topics
